

IB ProMi

The loan for film and television projects

Who is being financed?

- ::: Film production companies that have realised at least two commercially successful feature-length film projects and have the relevant experience

What is being financed?

- ::: existing financing gaps of film projects or high-quality television projects that are produced in Saxony-Anhalt, e.g. personnel costs or administrative expenses

What are the conditions?

- ::: The loan may amount to up to 30 % of the overall budget of the project
- ::: The minimum amount is 250,000 Euro, the maximum amount is 3,000,000 Euro
- ::: The term of the loan is based upon the planned project time and the exploitation
- ::: Conditions that do not constitute a benefit according to European legislation can be individually agreed upon

Financing is generally carried out jointly with a commercial bank.
